The Adviser Profile - Part 2 details specific services your Adviser is able to advise on.

## What is the Financial Advice process?

The Financial advice process starts with client engagement, identification of goals and objectives and the comprehensive information gathering process.

By agreement we will then formulate the strategies that we believe will best meet your goals and objectives.

These strategies will then be provided in a Financial Plan (Statement of Advice).

The agreed Recommendations will then be implemented and on-going service and reviews are then discussed.

## What can I Expect?

Your Adviser is committed to providing quality financial advice and a choice of products and/or services to suit your circumstances. Whilst we are licensed to provide a range of services, we are also obliged under law to have a reasonable

basis for our advice and to act in your best interests when providing financial advice, addressing your needs and the solutions you want us to assist you with.

Your adviser is also subject to an Ethical Code that opposes conflicts of interest & misrepresentation whilst promoting efficient, honest & fair dealing; enabling your free, prior & informed consent to recommendations, fees & services.

We will not compromise on our advice and will take this responsibility very seriously.

In order to achieve this, your Adviser will need to determine your needs, objectives and relevant financial circumstances before providing advice, products and/or services to you. You will be asked to provide accurate information and to keep your adviser updated on any changes to your circumstances to ensure the advice provided and products recommended remains relevant to your personal situation.

You have the right not to divulge any information should you wish not to do so, however, in such cases, your adviser will warn you about the possible consequences of not providing relevant personal and financial information and how this may impact the quality and reliability of the advice provided. Additionally, your adviser may also decline to provide advice if they feel they cannot do so adequately with the information provided or the advice would be beyond their formal expertise.

Before providing any financial products and/or services to you, we are also required to verify your identity in accordance with the Anti-Money Laundering and Counter-Terrorism Financing Act 2006. Your adviser will let you know what documentation is needed to meet these customer identification requirements.

Subject to its appropriateness for you, any product recommended to you by your Adviser must be included on InterPrac Financial Planning's Approved Products List. This list is constructed and maintained by the InterPrac Financial Planning Investment Committee, using ratings and reports from leading research groups.

The purpose of the list is to ensure that:

- Recommended product providers have the necessary skills, resources and experience to achieve their stated investment objectives and
- Our Advisers have a broad range of researched products to select from in meeting the diverse needs of their clients.

In instances where your Adviser may need to consider products outside the Approved Products List, they may apply to InterPrac Financial Planning for special consideration.

To ensure that you remain on track to meet your short to long-term needs and objectives, it is vital to periodically review your financial advice, products and/or services based

on your needs, objectives and circumstances to be sure they remain relevant. Where you enter into an ongoing service arrangement, your adviser will offer and hold an annual comprehensive personal review service. This service updates the advice in line with your needs and implements any changes which you have agreed upon. A fee may be charged for the ongoing advice and management of your financial affairs. Your adviser will provide you with details of any such fees applicable to you.

## Does everything need to be in Writing?

Your adviser may accept instructions from you via phone, letter, email or fax. In some instances, your adviser can only accept written instructions from you, and they will let you know when this happens.

Your adviser is required to maintain a paper or electronic record of your personal information, including details of your relevant personal circumstances. Your adviser is also required to maintain records of documentation for any financial advice given to you in the course of taking instructions from you, as well as any documents containing advice they have provided you. Please see our **Privacy Policy** regarding the care of this information in accordance with the Australian Privacy Principles.

## What Financial Advice Documents can I expect?

In providing you financial advice, these are some of the documents you may receive from your adviser:

- Statement of Advice
- Record of Advice
- Fee Disclosure Statement

When you are provided with personal advice that considers your needs, objectives and relevant financial circumstances, you will receive a **Statement of Advice**. The Statement of Advice sets out the specific advice given to you, including any recommendations about particular financial products and services, and the basis on which those recommendations are made. The Statement of Advice also provides information on the amount of any commissions and other fees payable in respect of financial products recommended to you in connection with this advice.

Under certain circumstances your financial adviser may provide you with a **Record of Advice**, rather than a Statement of Advice. A Record of Advice performs a similar function to a Statement of Advice, but is typically a shorter, more informal document.

Where an ongoing advice fee is charged by your adviser, a **Fee Disclosure Statement** will be provided annually.

The Fee Disclosure Statement (FDS) is an annual record of fees received and services provided over the previous 12 months plus the fees to be charged and the services to be expected over the following 12 months.

It requires that you, the client, will be required to accept the proposed arrangements by signing and returning it.

Any fee/service arrangement can be terminated by either party, preferably in writing or the arrangement will lapse automatically if the FDS is not returned.

Should you misplace your documentation, you may request in writing, a copy of any advice document you received, up to seven years after the advice has been given. Please refer to the **Privacy Policy – Access to Personal Information** for details on requesting a copy of your documentation.

## What Fees & Charges can I expect?

InterPrac Financial Planning prefers that our Advisers are paid on a 'fee for service' basis. In some instances, insurance providers may pay commission. Depending on the provider, all fees and commissions are paid directly to InterPrac Financial Planning on a fortnightly, monthly or quarterly basis. InterPrac Financial Planning retains a portion of the fee and commission income generated by each Adviser. InterPrac then pays the balance of the fee and commission income to your Adviser.

Please refer to the Adviser Profile - Part 2 which sets out the specific details of payments to your Adviser and/or any third parties, and the fees you may be charged.

InterPrac Financial Planning receives payments or benefits from certain product as part of an Education and Training partnership. These funds are used for the approved purposes of Education and Training and are not payable to your adviser. In return these providers are granted opportunities to participate in events such as Professional Development days. These payments are only to offset the cost of providing education and training for our advisers.

InterPrac Financial Planning has arrangements with Diversa and Australian Practical Superannuation Pty Ltd to provide marketing and administration services for which it receives a fee. This fee is not payable to your adviser and where relevant is detailed in the Statement of Advice.

InterPrac Financial Planning and its Advisers are prohibited from accepting gifts or inducements over \$300. Any benefit given to InterPrac Financial Planning between \$100 to \$300 will be recorded in a Gifts Register. A copy of your adviser's and InterPrac Financial Planning's registers are available on request. If you wish to inspect either register, please contact your adviser or our Head Office.

## Referral Fees

InterPrac Financial Planning and its Advisers work closely with many professional people and organisations such as accountants and solicitors. Where referrals are received from these sources on a business-to-business level, a referral fee may be paid.

Please note, Referral fees may not be received by or paid to advisers individually. This is to ensure that no conflicts of interest can arise.

Also note that referral fees are not a separate charge to you, they are paid from the fees received by InterPrac Financial Planning.
